## Title 2—DEPARTMENT OF AGRICULTURE

### Division 110—Office of the Director

#### Chapter 1—Missouri Qualified Fuel Ethanol Producer Incentive Program

#### ORDER OF RULEMAKING

By the authority vested in the director of agriculture under section 142.028, RSMo Supp. 2002, the director amends a rule as follows:

2 CSR 110-1.010 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on September 3, 2002 (27 MoReg 1443-1444). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** The department received one (1) comment on the proposed amendment.

**COMMENT:** A member of an ethanol plant was concerned that the definition of "actively engaged in agricultural production for commercial purposes" contained in section (2)(D) and (4)(B)5. required an agricultural producer be able to meet the delivery obligation of the entire ethanol production facility.

**RESPONSE AND EXPLANATION OF CHANGE:** The intent of the rule is that agricultural producers are able to meet their individual delivery obligations, not the delivery obligations of the entire

ethanol facility. Therefore, the department agrees with the comment and has revised subsection (2)(D) and paragraph (4)(B)5. accordingly.

**Title 4—DEPARTMENT OF ECONOMIC  
DEVELOPMENT  
Division 100—Division of Credit Unions  
Chapter 2—State-Chartered Credit Unions**

**ORDER OF RULEMAKING**

By the authority vested in the director of the Division of Credit Unions under section 370.100, RSMo 2000, the director adopts a rule as follows:

4 CSR 100-2.005 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on October 1, 2002 (27 MoReg 1768). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Division of Credit Unions received one comment on the proposed rule.

COMMENT: The Missouri Credit Union System submitted a comment that offered suggestions for changes in certain parts of the rule. The suggestions covered section (3) and subsections (D), (F), (H), (I), (K) and (L) of section (3). Also, they felt it appropriate to include an objective, widely accepted rating mechanism in the regulation.

RESPONSE AND EXPLANATION OF CHANGE: The Division of Credit Unions appreciates the response from the Missouri Credit Union System. Subsections (F), (H), (K), and (L) are not being changed. Section (3) and subsections (D) and (I) have been changed to reflect new wording. The suggestion to include a rating system has been considered. However, the qualifying factors included in the rule encompass the factors that go into the individual ratings for each credit union. Thus, there will not be a rating system qualification included in the rule.

**4 CSR 100-2.005 Frequency of Credit Union Examinations**

(3) The factors the director may consider, when determining whether or not a credit union may qualify for examinations less frequently than annually, may include:

(D) The credit union has not experienced major changes in its balance sheet structure within the preceding twelve (12) months;

(I) The credit union has maintained accurate and current books and records;

**Title 13—DEPARTMENT OF SOCIAL SERVICES  
Division 70—Division of Medical Services  
Chapter 3—Conditions of Provider Participation,  
Reimbursement and Procedure of General Applicability**

**ORDER OF RULEMAKING**

By the authority vested in the Division of Medical Services under sections 208.153, 208.159 and 208.201, RSMo 2000, the director amends a rule as follows:

**13 CSR 70-3.020 Title XIX Provider Enrollment is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on September 3, 2002 (27 MoReg 1472-1473). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Division of Medical Services received four (4) written comments on the proposed amendment.

COMMENT: The Executive Director of the Missouri Association of Osteopathic Physicians & Surgeons was concerned that the term provider was not defined.

RESPONSE: The term provider is defined at 13 CSR 70-3.020 (1)(I) Provider—Any person having an effective, valid and current written provider agreement with the Medicaid agency for the purpose of providing services to eligible recipients and obtaining reimbursement excluding, for the purposes of this rule only all persons receiving reimbursement in their capacity as owners or operators of a licensed nursing home. According to the Missouri Secretary of State Rulemaking Manual only those section(s) of a rule that are being amended are published in the proposed amendment. There was no change to the definition of the term provider. No changes have been made to the rule as a result of this comment.

COMMENT: Substantially similar written comments were received on behalf of the Missouri Health Care Association, Missouri Assisted Living Association, and the Missouri Dental Association. Since the proposed amendment would automatically assign the Medicaid provider number of the prior provider to the new provider, the associations are concerned that the proposed amendment would

discourage the purchase of those businesses that participate in the Medicaid program for fear there may be some lurking claim of liability by the Division of Medical Services. The net effect would be to penalize an innocent purchaser and allow the provider creating the problems to avoid any sanction. The Division of Medical Services was asked to reevaluate the proposed amendment because, in the opinion of the associations, it constituted an overzealous attempt to collect from successors remote in time overpayments or penalties which should have been collected from the entity guilty of the conduct which resulted in the penalty. The associations were also concerned that the regulation did not recognize any statute of limitation as binding on the division.

RESPONSE: The Division of Medical Services does not believe it is possible to be overzealous in the protection of monies that are due the Medicaid program and ultimately the Missouri taxpayer. Liabilities owed the Medicaid program are put in writing, whether they be overpayments or sanctions. The buyer of a property can research those liabilities with the seller and negotiate a purchase price to cover the obligation to the state. The Division of Medical Services believes this method is least intrusive in private property transfer. The regulation does not recognize any statute of limitation as binding on the division because the Centers for Medicare and Medicaid Services does not recognize any statute of limitation as binding on the Medicaid program. No changes have been made to the rule as a result of this comment.

**Title 13—DEPARTMENT OF SOCIAL SERVICES  
Division 70—Division of Medical Services  
Chapter 40—Optical Program**

**ORDER OF RULEMAKING**

By the authority vested in the director of the Division of Medical Services under sections 208.152, 208.153 and 208.201, RSMo 2000, the director amends a rule as follows:

**13 CSR 70-40.010 Optical Care Benefits and Limitations—  
Medicaid Program is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on August 15, 2002 (27 MoReg 1326-1327). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Division of Medical Services received three (3) written comments on the proposed amendment.

COMMENTS: The comments from the Missouri Association For Social Welfare, Legal Services of Eastern Missouri, Inc, and David W. Tushaus, Attorney at Law, were similar in nature. Each commenter expressed their vigorous opposition to the proposed changes in the Medicaid optical program for adults. They were gravely concerned about the consequences of these cuts in services for Missouri's most vulnerable citizens. The commenters wrote the need for optical care is not limited to those who have the resources to pay for treatment. Inability of a parent to obtain needed glasses can limit opportunities for work or participation in education and training, and can interfere with all of the other associated tasks that depend on the ability to see. How Missouri treats and respects its poorest, most vulnerable citizens in policy decisions is surely a test of humanity and honor for all of us who have been lucky or nurtured enough to not be poor. The proposed amendment violates state and federal requirements governing the coverage of adult optical services. The division's

proposed amendment was described as a wrongheaded and illegal attempt to balance its budget. The Division of Medical Services was urged not to implement the amendment and work to find alternative decisions in this budget matter and pursue other means to accomplish a goal of providing much needed optical care to the poor.

RESPONSE: The Division of Medical Services weighed a number of budget reduction measures before proposing the limited reduction in optical services to adults. According to an analysis of data from the *1997 Medical Expenditure Panel Survey* done by the Center on an Aging Society at Georgetown University, seventy-three percent (73%) of the total cost of glasses and contact lenses for people with visual impairments was paid out-of-pocket. The Division of Medical Services has not received complaints from recipients citing lack of eyeglasses as a barrier to finding or keeping a job. The amendment to Missouri Medicaid State Plan to limit eyeglasses for adults twenty-one (21) years and older to one pair following cataract surgery was approved by the Department of Health and Human Services, Centers for Medicare and Medicaid Services. This approval is consistent with other state Medicaid programs that limit optical coverage. No changes have been made to the rule as a result of these comments.

**Title 20—DEPARTMENT OF INSURANCE  
Division 200—Financial Examination  
Chapter 2—Reinsurance and Assumptions**

**ORDER OF RULEMAKING**

By the authority vested in the director of the Missouri Department of Insurance under section 374.045, RSMo 2000, the director amends a rule as follows:

20 CSR 200-2.700 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on August 15, 2002 (27 MoReg 1329-1330). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** The Missouri Department of Insurance received five (5) comments on the proposed amendment.

**COMMENT:** The amendment should include an exemption for reinsurance secured by a proper letter of credit, as well as the proposed exemption for reinsurance secured by a proper trust.

**RESPONSE AND EXPLANATION OF CHANGE:** The director agrees with this comment and has changed the amendment accordingly.

**COMMENT:** The amendment should include an exemption for reinsurance ceded to alien insurers who have entered the United States through a state that has been accredited by the National Association of Insurance Commissioners (NAIC) according to its financial standards accreditation review.

**RESPONSE AND EXPLANATION OF CHANGE:** The director agrees with this comment and has changed the amendment accordingly.

**COMMENT:** The amendment should include an exemption for reinsurance ceded to an insurer domiciled in a state that has not been accredited by the NAIC, provided that such state meets substantially similar financial regulation standards.

**RESPONSE AND EXPLANATION OF CHANGE:** The director agrees with this comment and has changed the amendment accordingly.

**COMMENT:** The rule requires reporting from both the assuming insurer and all further retrocessionaires. Such a reporting requirement is unduly burdensome.

**RESPONSE AND EXPLANATION OF CHANGE:** The director partially agrees with this comment. The intent of the proposed amendment regarding reporting requirements is to require the ceding insurer to obtain reports, at its option, either from the assuming insurer as to the aggregate balance ceded and carried as a gross liability by the assuming insurer or from the assuming insurer and all retrocessionaires as to the net liability carried by each. Because this intent may not be clear from the proposed amendment, the amendment has been changed to clarify the reporting options.

**COMMENT:** The rule should be rescinded. It is archaic and no longer serves a useful purpose given the changes in accounting standards for reinsurance.

**RESPONSE:** The director disagrees with this comment. For reinsurance ceded to an insurer not meeting one of the exceptions (as now adopted per this amendment), a significant possibility remains that, in the absence of this rule, the reinsurer, with the acquiescence of its regulator, may disagree with the amount of credit claimed by the ceding insurer and withhold the funds necessary to discharge the credit claimed by the ceding insurer. No changes will be made to this proposed amendment as a result of this comment.

**20 CSR 200-2.700 Reinsurance Mirror Image Rule**

(2) Mirror Image, Proof.

(B) In order to receive any credit for reinsurance ceded, the ceding insurer must be able to show to the satisfaction of the director of the Department of Insurance, the liability amount established by the assuming insurer with respect to this reinsurance. This showing may be made by any proof deemed reasonable by the director, but this proof must, at a minimum, consist of—at the ceding insurer's option—either a report obtained by the ceding insurer from the assuming insurer as to the gross unearned premium reserve or gross reserve liability held by it or a report obtained by the ceding insurer from the assuming insurer and from each retrocessionaire with respect to the net unearned premium reserve or net reserve liability held by each of them. Each such report shall be:

1. In writing, signed by an officer of the assuming insurer or the retrocessionaire providing it and obtained by the ceding insurer prior to the filing date of the ceding insurer's annual and quarterly statement; and

2. Maintained by the ceding insurer for three (3) years or until the conclusion of the next regular examination conducted by this state's insurance department, whichever is later. If the proof provided fails to meet the standards of subsection (2)(A) of this rule, the ceding insurer will be required to amend its financial statements by making adjustments to its credits for reinsurance as provided in subsections (2)(A) and (C) of this rule and subsections (3)(A) and (D).

(3) A ceding insurer shall not be required to comply with section (2), if and only if the ceding insurer can meet one (1) of the following exceptions:

(B) The assuming insurer is organized under or entered through the laws of and regulated by a state or territory which is either accredited by the National Association of Insurance Commissioners (NAIC) under the NAIC's financial accreditation standards review program or certified in writing by the director as meeting standards substantially similar to the NAIC's financial accreditation standards. This exception applies to subsections (2)(A)-(C); or

(E) The assuming insurer provides security to the ceding insurer in an amount not less than the amount of the credit taken by the ceding insurer, provided that:

1. The security and the holder thereof meet the standards of subsections 2 and 3 of section 375.246, RSMo;

2. The qualified United States financial institution that either issues the letter of credit or serves as trustee of the cash or securities held in trust, is not an "affiliate" (as that term is defined in section 382.010(1), RSMo) of the assuming insurer or of the ceding insurer;

3. If the amount of such security is less than the credit taken by the ceding insurer, then this credit taken will be disallowed to the extent it exceeds the amount of the security; and

4. The exception created by this subsection applies to subsections (A)-(C) of section (2).

1. A risk retention group shall solicit members in Missouri only through insurance producers licensed by the director for casualty.

**Title 20—DEPARTMENT OF INSURANCE  
Division 300—Market Conduct Examinations  
Chapter 2—Record Retention for Market Conduct  
Examinations**

**ORDER OF RULEMAKING**

By the authority vested in the director of the Missouri Department of Insurance under section 374.045, RSMo 2000, the director amends a rule as follows:

20 CSR 300-2.200 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on August 15, 2002 (27 MoReg 1341-1343). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** The Missouri Department of Insurance received thirteen (13) comments on the proposed amendment. These comments addressed four (4) issues. Therefore, the department has summarized the comments and prepared a general response for each of the four (4) issues.

**COMMENT #1:** The definition of “third party vendor” in the proposed amendment is too broad and vague.

**RESPONSE #1 AND EXPLANATION OF CHANGE:** This proposed amendment is not too broad or vague, in that it is intended to focus only upon a company outsourcing the essential functions (i.e., a function that falls under one of the seven (7) core areas as outlined in the proposed amendment) of insurance to a third party vendor or service provider. This vendor or provider, in essence, is offering a service to the insurer that, absent the third party vendor or provider, the insurer would perform itself.

The definition of “third party vendor” contained in subsection (1)(I) of this proposed amendment will be changed to clarify that definition. The types of duties or functions a business entity, which is defined by a new subsection (1)(B), would need to perform that would make that entity subject to this regulation have been changed so that they will now be listed. Also, an exemption from the requirements of this proposed amendment will be changed to include an

entity already licensed by the department. The proposed amendment will be changed to add a definition of “customary core functions” to section (1) in order to provide additional guidance to insurers.

COMMENT #2: The proposed amendment underestimates the cost of complying with the proposed amendment.

RESPONSE #2: The proposed amendment does not underestimate the cost of compliance with the proposed amendment. The private entity cost estimate was set at \$500 or less because it was the department’s presumption that most, if not all, insurers already perform some sort of audit or review prior to entering into or renewing a contract with a third party vendor or service provider, if for no other reason than to show a cost savings to management and thus the need to continue the relationship with the third party. Therefore, the department is not going to revise the private entity cost estimate. The department has, however, removed the formal audit requirement in subsection (2)(D) and replaced it with a requirement that an insurer monitor and satisfy to itself that it is content that the vendor or provider is conducting business in an appropriate manner, something the department presumes insurers are already doing.

COMMENT #3: The department has no authority to make insurers comply with the requirements set forth in the proposed amendment.

RESPONSE #3 AND EXPLANATION OF CHANGE: The department possesses adequate authority to impose the requirements set forth in the proposed amendment. This determination is based upon statutory authority for the proposed amendment and is consistent with current case law.

By submitting the following changes to the proposed amendment, the department intends to clarify the relevant statutes by informing both the insurer and the third party vendors and service providers that information used in the non-delegable, or core duties, of the insurer is subject to the required records regulation. The department also believes that the changes made by the department to the proposed amendment will help in future document production disputes, in that the proposed amendment will be changed to allow the department to hold the insurer responsible for failing to make the appropriate documents available to it during an examination.

COMMENT #4: The audit requirement set forth in subsection (2)(D) is too onerous.

RESPONSE #4 AND EXPLANATION OF CHANGE: The proposed amendment will be changed to require an insurer to satisfy itself, and provide documentation during an examination, that the insurer is content that the vendor or provider is conducting business in an appropriate manner. While the department does not agree with the comments received regarding the “audit” requirement, subsection (2)(D) of the proposed amendment will be changed to remove the requirement that an insurer perform an annual “audit.” The department will amend subsection (2)(D) to include five (5) standards of review an insurer must rely upon when reviewing the functions of a vendor or service provider for clarification purposes.

(C) During an examination, the insurer shall provide, as requested, its written contract entered into with each third party vendor or service provider and such documents as set forth in subsection (2)(B) of this section within the time frames set forth in section (6) of this rule.

The insurer must be able to produce documentation and otherwise demonstrate how it monitored and verified the accurateness, lawfulness, and appropriateness of the business practices performed by the third party vendor or service provider on its behalf within the time frames set forth in section (6) of this rule.

This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** The Missouri Department of Insurance received one (1) comment on the proposed amendment.

**COMMENT:** The comment suggested that the proposed amendment provide that Exhibit A notices permit either the term “agent” or the term “insurance producer” to be used, or that Exhibit A notices that continue to use the term “agent” be deemed approved without the need for filing for approval.

**RESPONSE:** Effective January 1, 2003, section 375.012, et seq. RSMo Supp. 2002, requires the term “insurance producer” to be used, replacing the terms “agent,” “broker,” and “agency.” Therefore, the suggested changes to the proposed amendment will not be made.
